

TCL T-Pen₂

Quick Start Guide

Write and draw with T-Pen 2 on compatible TCL tablets just like you would on paper.

If the key is quick pressed and the LED turns white, T-Pen 2 is charged and ready to use. Before first use, charge T-Pen 2 to activate it.

T-Pen 2 will automatically enter Sleep Mode after 30 minutes of inactivity. While in Sleep Mode, press the key to wake up.

Charging and LED

Use the USB-C cable to charge T-Pen 2.

White	If the key is quick pressed and LED turns white, T-Pen 2 is charged and ready to use.
Red	LED flashes red when the T-Pen 2 is low on power. While charging, the LED is solid red.
Green	LED is solid green when charging is complete.

Connect and Use

To enable T-Pen 2 on your compatible TCL tablet, go to: **Settings > Advanced Features > T-Pen**.

From the Stylus menu, program the shortcut keys and activate a shortcut to the Stylus menu.

Shortcut Keys

To use Shortcut Keys, simultaneously tap the T-Pen 2 nib against the tablet screen and press and hold the key.

Replacing the nib

One replacement nib is included.

1. Rotate the nib counterclockwise to remove it.

2. Rotate the new nib clockwise to secure it.

Note: This product is compatible with TCL tablet. For more compatibility information, visit our official website.

Safety and Use

WARNING: This product contains removable parts. Keep away from small children. Swallowing by children may cause suffocation or other hazards.

- Do not throw the T-Pen 2 into fire or expose it to high temperature. Battery may explode if thrown into fire. The manufacturer's recommended operating temperature range is 0°C (32°F) to +40°C (104°F).
- Do not throw or crush the T-Pen 2. Battery may explode if severely impacted.
- Do not keep the device connected to the charger with battery fully charged for a long period of time.
- Keep the nib of the T-Pen 2 clean and void of debris, moisture, and other small particles.
- To clean the T-Pen 2 exterior, use a lint-free cloth the exterior. Do not use sprays, solvents, or abrasives.

Certification

Hereby, TCL Communication Ltd. declares that this equipment of type AS9469X is in compliance with Electromagnetic Compatibility (EMC) Directive 2014/30/EU.

This symbol on your device, the battery, and the accessories means that these products must be taken to:

- Municipal waste disposal centres with specific bins.

- Collection bins at points of sale.

They will then be recycled, preventing substances being disposed of in the environment.

In European Union countries: These collection points are accessible free of charge. All products with this sign must be brought to these collection points.

In non-European Union jurisdictions: Items of equipment with this symbol are not to be thrown into ordinary bins if your jurisdiction or your region has suitable recycling and collection facilities; instead they are to be taken to collection points for them to be recycled.

FCC Radiation Exposure Statement

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment must be installed and operated in accordance with provided instructions and the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Disclaimer

There may be certain differences between the user manual description and the device's operation, depending on the software release of your device or specific operator services. TCL Communication Ltd. shall not be held legally responsible for such differences, if any, nor for their potential consequences, which responsibility shall be borne by the operator exclusively.

Limited warranty

As the consumer you may have legal (statutory) rights that are in addition to those set out in this Limited Warranty offered by Manufacturer voluntarily, such as the consumer laws of the country in which You live ("Consumer Rights"). This Limited Warranty sets out certain situations when the Manufacturer will, or will not, provide a remedy for the TCL device. This Limited Warranty does not limit or exclude any of your Consumer Rights relating to the TCL device.

For more information about limited warranty, please go to <https://www.tcl.com/global/en/warranty> In case of any defect of your device which prevents you from normal use thereof, you must immediately inform your vendor and present your device with your proof of purchase.
